BIO 210: Marine Ecology

Larkspur University, Fall 2026. Instructor: Dr. Tobias Venn.

Prerequisites

BIO 101 (Introductory Biology) and CHEM 110 (General Chemistry). Students without CHEM 110 may enroll with the instructor's written permission.

Grading

Lab reports make up 35% of the final grade, the field journal 15%, the midterm exam 20%, and the final exam 30%.

Late Work

Lab reports lose 5% of their score per day late, for a maximum of three days. After three days a lab report is not accepted. The field journal cannot be submitted late.

Office Hours

Dr. Venn is available on Wednesdays from 10:00 am to noon in Tidewater Hall, room 108, and by appointment.

Exam Dates

The midterm exam is on Wednesday, October 21, 2026. The final exam is on Saturday, December 12, 2026, at 1:00 pm.
