CS 340: Database Systems

Larkspur University, Fall 2026. Instructor: Prof. Imani Okonkwo-Reyes.

Prerequisites

Students must have completed CS 220 (Data Structures) and MATH 201 (Discrete Mathematics) with a grade of C or better.

Grading

Homework assignments count for 30% of the final grade, the midterm exam for 25%, the semester database project for 20%, and the final exam for 25%.

Late Work

Homework and project submissions lose 10% of their score for each day they are late. Work more than five days late receives no credit.

Office Hours

Prof. Okonkwo-Reyes holds office hours on Tuesdays and Thursdays from 2:00 to 4:00 pm in Calloway Hall, room 312.

Exam Dates

The midterm exam is on Thursday, October 22, 2026, in class. The final exam is on Wednesday, December 16, 2026, from 9:00 am to 11:00 am.
